

THE DELTA VOILES CLASSIC FURLING GENOA

BLUE WATER CRUISING

You sail with your family or otherwise..., you're retired... or far from it, but you spend a lot of time sailing. A lover of comfortable and peaceful cruising, you count on the seaworthiness and performance of your yacht, whatever the windspeed and point of sail.

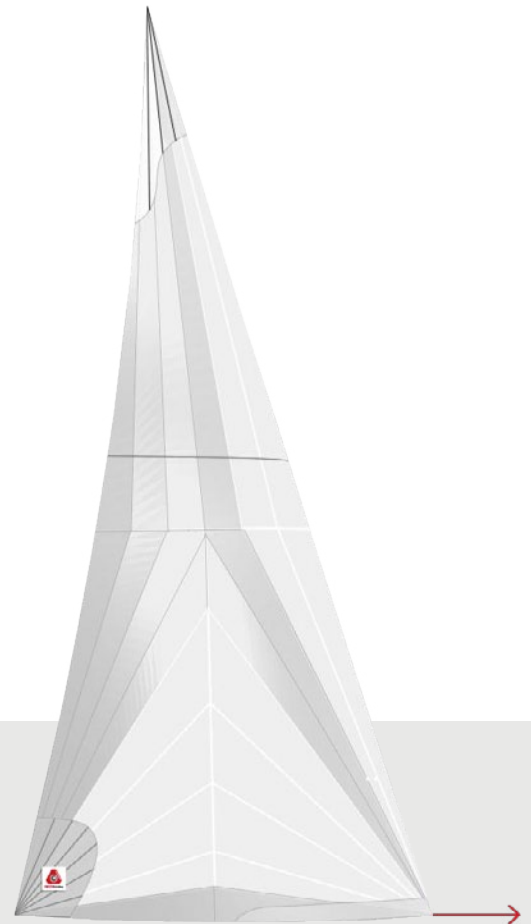

STANDARD FINISHES

- Dralon or Polyester UV protection strip, 6 colors to choose from
- Furling markers on the foot
- Visualization strip on both sides
- Anti-UV treated yarn
- Panels glued before being 6-point stitched
